Travelling from Otopeni Airport to Bucharest City Centre / The Venue

Preferably by taxi

It will take you around 45 min from Airport to the City Centre or to the University and you will pay around 8-10 € (around 30 - 40 RON - regular taxi car).

There is a new booking system for taxis at the Otopeni Airport.

After luggage pick-up, as you exit the gates, immediately on the left side there are some taxi ordering machines. You can select a taxi company and fare (does not matter too much which company: Cristaxi, Meridian, Cobalcescu, Speedtaxi) and you will receive a **booking receipt** with the **taxi ID number**.

Then, go outside and look for the taxi that has that **taxi ID number** written on the car. Be aware that this is a small identification number written on a side of the car, not the License Plate Number.

Regular taxi fare is 1.39 RON / km (0.32 EUR / km).

There are some more expensive car taxis with 3.5 RON / km (0.8 EUR / km).

Most regular taxis accept payment only in RON. There are several ATM machines on different banks in the terminal building. Some are right near the taxi ordering machines.

By public transport

There is an Express Bus (No. 783) that goes from the Airport to Bucharest City Centre, but it runs every 30 minutes. The Express Bus station is in the Arrivals Terminal one level below as you exit the Terminal.
